Muhammad Mudasir

JUNIOR WEB DEVELOPER · FRONTEND DEVELOPMENT

Lahore, Pakistan

(+92) 315 2188107 | muhammadmudasir33669@gmail.com | m-mudasir01 | m-mudasir02

"Open to relocation and flexible with job location based on opportunity."

Summary

Junior Web Developer currently working at Arfa Karim Technology Incubator, gaining hands-on experience in building web applications. Familiar with HTML5, CSS, and the software development lifecycle through six months of practical work on real projects. Completed ICS Computer Science and now focused on growing technical skills through coding and learning. Good team player who enjoys solving problems and writing clean code. Looking to continue developing as a web developer and contribute to meaningful projects.
